

# Rodin's Limbs

*hands*

*feet*

*and torso lay*

*in Rodin's large, flat drawers*

*only*

*to be*

*combined*

*and recombined*

*in the sculpted*

*Yes*

*my thoughts*

*my visions*

*and my feelings*

*Lay*

*in suspension*

*in air*

*and within*

*only to be*

*limbed*

*to an orchestrated future*
