The Harlem Children Society relies on the generous contributions from individuals like yourself to support training these young minds of tomorrow. When you give to HCS, you become an integral part of the HCS team working to develop these young minds and create a culture for a brighter tomorrow. We hope that we can count on your support. Together we can build a new generation of vibrant, skilled, and self-motivated young learners. To make a donation, you may either send a check by mail (made out to Harlem Children Society).
