

### **Harlem Children Society Mission**

[www.harlemchildrensociety.org](http://www.harlemchildrensociety.org)

- Develop innovative curricula to be used in under- resourced school districts in low-income communities
- Build a corps of researchers and other Science and medical practitioners to serve as positive role models and mentors
- Provide training and insight for mentors and learners so that long term changes will be effected in schools
- Promote other activities related to scientific education for the enhancement of the community at large

For Information Contact:

Dr. Sat Bhattacharya, Founder, President & CEO, Harlem Children Society

Tel: (646) 643-8563; (646) 633-4645/4655

### **Sigma Xi, The Scientific Research Society**

[www.sigmaxi.org](http://www.sigmaxi.org)

- The Society is a diverse chapter-based organization dedicated to the advancement of science and engineering through outstanding programs and services delivered in a collegial and supportive environment.
- To enhance the health of the research enterprise, foster integrity in science, and promote the public's understanding of science for the purpose of improving the human condition.
- To be the global honor society of science, engineering, and research.
